

MOOD BOARD FOR INTERVIEW WEAR

The mood board template features a collection of rectangular boxes with rounded corners, arranged in a non-linear fashion. The boxes vary in size and are outlined in a light pink color. Two boxes are filled with a solid light pink color: one on the left side and one on the right side. The remaining boxes are white, providing space for users to paste or draw their mood board content.

THOUGHT SPLASH

A large, empty rectangular box with rounded corners, outlined in a light pink color, located at the bottom of the page. It is intended for a 'Thought Splash'.
